## **PUBLIC ANNOUNCEMENT**

This is to inform the general public that consular and passport intervention exercise will no longer be carried out by the Embassy. This is due to the new system installed by the Nigerian Immigration Service, aimed at streamlining passport issuance processes and ensuring greater efficiency.

2. The Embassy wishes to further inform Nigerians in Italy that, henceforth, a seamless procedure is ensured including easy synchronization with NIN and online-payment.

3. The Embassy uses this medium to reiterate its determination to serve Nigerians living in Italy, at all times.
